Our Lady of the Lakes
School Committee Minutes
May 18, 2010

Members Present: Jim Eischen, Mark Bichler, Dave Mayer, Greg Straub, Jamie Vorpahl, Jeff Hiller, Dr. Rick Erickson, Fr. Fleischman, Judy Longrie, Becky Swanson, Stevie Ritger

Parish Council Report: Discussions on the PAR process continue. Everything is on hold until June 10th when a meeting with representatives with the Arch will take place.

Home and School Report: Home and School will be close to budget, but might come a bit short, depending on how the last couple of fundraisers go.

Secretary's Report: Minutes were reviewed and approved by the committee. There were no minutes from the April meeting as the group met with Fr. Tom and Sister Peg.

Financial Report: Things are looking ok for the school, with the numbers for utilities coming in much under budget. The child care did well in April.

Principal/Teacher Report: Katie Rengers reported on several end of the year activities including: Field Day on June 3rd, Awards Day on June 2nd, and 6th grade graduation on June 8th. The yearbook was also finished and will be printed through a donation. Dr. Erickson will continue to look for someone potentially interested in being a grant writer for the school/parish. The sign should be moved soon, with other decorative landscaping which has been donated for around the school. Students did a great job at forensics and the speech contest. Dr. Erickson is still waiting on some registrations from students before a final number is given.

Old Business: None

New Business: None

Subcommittee Reports:

Marketing: Staff is doing a great job getting the word out about the school. A letter in the bulletin is going to go in with what is happening around the school.

Technology: A meeting before the June board meeting will be scheduled.

Child Care Center: Ads are being run, in numerous places, for a Director. The census is steady and there should be an additional child soon. One staff member resigned, so there will be a need to replace one person.

Finance: Budget has been approved. Dr. Erickson will continue to monitor as we end the year.

Meeting Adjourned.

The next meeting will be held on June 15, 2010
