### A Prayer for Our Veterans

Eternal and Loving God, we are so thankful for the men and women that You have raised up to serve our country with honor, dignity and commitment in the past and present, in war time and times of peace, in combat or on the home front.

We remember them today and ask You to bless them in the sacrifices they have made to give of themselves for the cause of freedom. We ask You to surround them and their families with your love and protection as many continue to serve on the front lines.

In their times of loneliness and despair, we ask You to be their unseen hand that will lift them up to see a brighter day. We remember those who have lost their lives in service, and we applaud their selfless acts as well as their families that released them to serve. As You have blessed this nation as the land of the free and the home of the brave, we extend this blessing to every branch of our military, and ask that your continued strength and power be with us in the days ahead.

Believing that You are willing and able to hear and answer, we ask in Jesus Name, *Amen.*

School doors are locked for the day once school has begun. The office entrance will remain open during the school day to be used by anyone visiting the school.
