Book Study: **The Holy Longing**, by Ronald Rohlheiser.

"Spirituality is about what we do with our unrest...about what we do with that incurable desire [for God]...within us." Rohlheiser discusses four essentials that must be present for a healthy Christian spiritual life: "private prayer and private morality; social justice; mellowness of heart and spirit; and community as a constitutive element of true worship." He also discusses many of the challenges to Christians today. Rohlheiser uses simple language that is easy for even the beginning student of theology to understand. Theology clock hours applied for.

People of the Passion Scripture study by Stephen Binz.
Tuesdays, Mar. 8, 15, 22, 29, Apr. 5 & 12 from 7-8:30 p.m. at Rosemary School parish center. Suffering seems to bring out the best and the worst in our human nature. Some people are overcome with hopelessness that leads to despair; others are filled with courage that leads to heroism. Still others exhibit a wide range of responses that reveal their character: trust, generosity, steadfastness, cowardice, greed, and pride. The people of the passion in this book are the characters who participated in some dramatic way in the suffering and death of Jesus. Scripture clock hours applied for.
