Father, as our 6th grade children graduate we ask you to be with them.
We do not know what is ahead of them, but they are ready to walk into the future.
As they face new challenges, guide them and their lives.
May they see this time as an opportunity, a new beginning, and a time of hope.
Help them to make a difference and to live in your love in all that they do.
We pray this in the name of Jesus and the Holy Spirit of love. Amen.
