This year they will celebrate Catholic Schools Week @ Holy Name in Sheboygan. Dr. Erickson will have more information on the possible 7th grade in December. Work is also being done on the financial aid process and also a Student Leadership program.

New Business: None

Subcommittee Reports:

Marketing: Signage on HWY 57 is being investigated, but there are difficulties that lie ahead. More work needs to be done with the village to move the sign on the front of the school.

Technology: The committee met tonight and is looking at ways to expand the use of SmartBoards. Most of the computers seem to be working ok, with some minor glitches in the back-up system.

Child Care Center: Things are going pretty well. The economy has taken its toll on a few numbers, but staffing is ok. The new carpet is going to be scheduled to be laid, but timing is important.

Finance: Dr. Erickson will be bringing several budget scenarios to the December meeting. We will be going into closed session to discuss Budget.

The next meeting will be held in December 15, 2009
